DGGEC/SSIP/ office order/ HODS/ 155

Office Order:

In view of the strategy under New Industrial Policy the Gujarat Government has introduced 'Scheme for Assistance for start-ups/ Innovation' vide its Resolution of Industries and Mines Department, No. MIS-102014-924909-I dated 27.01.2015 and of the Education Department (Higher and Technical), Government of Gujarat vide its Resolution No. PRC/2016/IPIES/DS/S/710197, dated 11-1-2017 has published STARTUP AND INNOVATION (SSIP) POLICY (2017-2021). A special focus under SSIP has been given on IPR protection and leveraging its impact. MOU is made between this institute and Gujarat Knowledge Society on 13-10-2017 wherein the objectives and interventions and terms and conditions for grant/ funding are defined.

The student startup and Innovation policy of Government of Gujarat aims to create an integrated, state –wide, university based innovation ecosystem to support innovations and ideas of young students and provide a conducive environment for optimum harnessing of their creative pursuit.

The institute shall utilize the grant for students' start-ups for the activities such as developing institute innovation and startup cell, pre-incubation centre, capacity building, technology platforms, PoC and prototype support, patent filing, Laboratory facility, Documentation .

For smooth functioning of SSIP HOD Level committee is formed to carry out various activities in accordance with the policy documents and other guidelines are available at <http://SSIP.cteguj.in/> for ready reference.

Institute HOD Level (SSIP) Committee

8.	Shri Pancham Bariya	GTU Regional coordinator	Member
9.	Shri Kirpalsinh Dabhi	Patent Analyst, Freelancer	Member

Upon receiving an idea from students, the respective committee shall evaluate the idea to check whether the idea is feasible in the market or not. Once the idea is validated by the Department level HOD SSIP committee and Institute level SSIP committee, the students can avail financial support for proof of concept and prototype development. Student will also receive patent filing support if project/innovation is patentable approved by IPR Scrutiny committee.

The funds under the SSIP shall primarily be utilised for helping students producing a proof of concept, designing, filling patents and assist them on activities such as conducting workshops and programmes strictly in accordance with the financial guidelines provided under SSIP Project.
