Office Order:

In view of the strategy under New Industrial Policy the Gujarat Government has introduced 'Scheme for Assistance for start-ups/ Innovation' vide its Resolution of Industries and Mines Department, No. MIS-102014-924909-I dated 27.01.2015 and of the Education Department (Higher and Technical), Government of Gujarat vide its Resolution No. PRC/2016/IPIES/DS/S/710197, dated 11-1-2017 has published STUDENT STARTUP AND INNOVATION (SSIP) POLICY (2017-2021). Vide G.R. No. PRC/102021/SSIP2.0/934/S, dated 4th January 2022 state government has launched SSIP 2.0 which will be effective from 11 January 2022 to 31 March 2027. A special focus under SSIP has been given on IPR protection and leveraging its impact. MOUs were made between this institute and Gujarat Knowledge Society on 13-10-2017 and 20-10-2022 for SSIP 1.0. Now for implementation of SSIP 2.0, an MOU is made between this institute and Gujarat Knowledge Society on 14-09-2022 wherein the objectives and interventions and terms and conditions for grant/ funding are defined.

The student startup and Innovation policy of Government of Gujarat aims to create an integrated, state –wide, university based innovation ecosystem to support innovations and ideas of young students and provide a conducive environment for optimum harnessing of their creative pursuit.

The institute shall utilize the grant for students' start-ups for the activities such as developing institute innovation and startup cell, pre-incubation Centre, capacity building, technology platforms, PoC and prototype support, patent filing, Laboratory facility, Documentation.

For smooth functioning of SSIP activities at this institute, the Educational Institutions Level SSIP Scrutiny Committee is formed. All the members are informed to carry out various activities in accordance with the policy documents and other guidelines which are available at <http://SSIP.cteguj.in/> for ready reference.

Educational Institutions Level SSIP Scrutiny Committee

- The PoC & IPR Scrutiny Committee will select a project which is having the potential.
- This committee will supervise all the activities under SSIP mandate.
- This committee should meet every month or whenever need arises to review the applications received for extending various support.

Upon receiving an idea from students, the respective committee shall evaluate the idea to check whether the idea is feasible in the market or not. Once the idea is validated by the Department level HOD SSIP committee and Institute level SSIP scrutiny committee, the students can avail financial support for proof of concept and prototype development. Student will also receive patent filing support if project/innovation is patentable approved by the Institute level SSIP scrutiny committee.

The funds under the SSIP shall primarily be utilized for helping students producing a proof of concept, designing, filling patents and assist them on activities such as conducting workshops and programmes strictly in accordance with the financial guidelines provided under SSIP Project.
